Animal fact file: sea turtle 🐢

It lives in the ocean. The turtle has a big, hard shell on its back. It has four flippers to swim. Its skin and shell are green and brown. The sea turtle can swim (1) in the sea, and it can eat (2) sea plants and small animals. It can also walk (3) slowly on land, but it can't run (4) fast. It can't fly (5) because it has no wings!
